COLUMBIA NEWS. To-day's Budget by an Occasional Corres

Mr. B. Macauley, as Uncle Dan'l, "the Deputy Sheriff of Jarvis Section," under the auspices of Welsh post G. A. R., appeared at the opera house last evening to a large, fashionable and appreciative audience. Mr. Macauley ranks among the best of comedians. Miss Minnie Madden, as Clip, of "Keppler's, was a favorite with the audience. All who failed to see the performance missed a rare treat. The company is one that will stand seeing the second time, and we hope Manager Ford will bring the company soon again.

The Columbia school board at a late meeting instructed the solicitor, Mr. A. J. Kauffman, to have Mr. Thos. Dunbar, collector of school tax for 1876, to close his duplicate for that year.

The conferces of the Second ward have substituted Mr. Ephriam Hershey for council, in place of Mr. P. S. Brugh, who declined.

Market this morning was very largely attended. Butter sold at 25 and 28 cents, eggs 16 cents, potatoes 18 cents, turnigs 10 cents a peck, cabbage 6 to 8 cents.

NEIGHBORHOOD NEWS.

Events Across the County Line. Adam Baus, aged 60, living two miles

above Lenhartsville, Albany township, Berks county, has applied at police headquarters for assistance to help hunt his young wife, aged 29, who left the family roof last Saturday morning, saying she was going to Reading and has not been heard from since,

Mr. John Wharton, the owner of the Gap nickel mines, is about to lease the mines of the same metal on the Boyl properties, in Valley township, Chester county. These mines were formerly owned by Anthony Morris, and have been recently examined and found to contain large quantities of not fail to use the celebrated Kidney-Wort. It nickel.

Samuel Sharp, aged about 50 years, died list evening at Laurel iron works, Newlin other kinds. township, Chester county. A few months ago Mr. Sharp had his tongue taken out entirely on account of cancer. He suffered terribly until relieved by death.

That women in Harrisburg have rights was exemplified on Thurday night at the opera house. Between the acts two females in the family circle would sally out and "take a beer" and come back smiling just like the men.

Appeal Day Fixed

The commissioners have fixed Thursday. the 11th of March, as the time for hearing appeals from the assessment of the First ward, city, the Third ward city, and the borough of Marietta. It will be remembered that Mr. Welchaus, assessor of the First word, declined to increase his valuation of property as directed by the commissioners, and that Mr. Haines, of the Third, ward did not have his book ready on Tuesday last, the day of appeal. The assessor of Marrietta who increased the to "Pr. Lindsey's Blood Searcher." It is invaluation three per cent. as directed by the fallible. commissioners, afterwards discovered that he had omitted certain properties from his is a common complaint. If you feel so, get a assessment, and that if they were added there would be no need of the three per cent addition. The commissioner therefore ordered him to strike it off.

Watchers Appointed. The following election watchers were ap-

pointed by the court this morning: Ninth ward-Jacob Metzger, Democrat: John McGuire, Republican. Seventh ward-Fred'k Arnold, Demo

erat ; J. A. Hollinger, Republican. Fourth ward-Lawrence Falck, Denocrat; J. W. Johnson, Republican,

Second ward-S. W. Raub, Democrat J. E. Shenck, Republican.

The Ball at Rothweiler's.

The ball given at Rothweiler's hall last evening by the Anti-Garreters was one of the largest and best-managed balls of the season, and everybody present seemed to enjoy themselves thoroughly-the music, refreshments and dancing were good, and the girls good-looking.

Fox Chase. Yesterday a fox chase took place from the hotel of Samuel Styer, at McGovern- services will be held at 2 o'clock p. in. [Itd ville. After a run of about four miles the

fox was caught alive by William Martin and Emanuel Hambright.

Apples of Gold in Pictures of Silver.

A word fitly spoken," says a distinguished author, "is like apples of gold in pictures o silver," and right royally has Prot. Loomis proved it in his brief but pointed letter to the Holman Liver Pad company, which will be found elsewhere in to day's issue, and which is commended to the consideration of invalids

everywhere. The Holman method of treating diseases by absorption is becoming wonder fully popular, and distinguished physicians in this country and Europe are recommending it in all chronic diseases of the vital organs. They can be had at the Lancaster agency, No. 22 East Orange street, Lancaster. A LWAYS keep St. Jacob's Oil handy.

DUBLIC SALE. "Uncle Dan'l" To-night .- Mr. B. Macauley's quaint portraiture of Uncle Dan'l has taken rank as one of the best of recent character creations, and the delightful old man, "Deputy Sheriff of Jarvis Section," has a warm place in the affections of amusement-going people throughout the country. He will be here tonight, and the prospects for his cordial reception are very promising, as the favorable impression he created on the occasion of his visit a year ago is fresh in the memory of all who saw him then, and his reputation has been growing ever since. He has been playing to i mmense business during the season, and his 2td-14&17

SPECIAL NOTICES.

Fees of Doctors The fee of doctors is an item that very many

persons are interested in just at present. We believe the schedule for visits is \$3, which would tax a man confined to his bed for a year and in need of a daily visit, over \$1,000 a year for medical attendance alone! And one single bottle of Hop Bitters taken in time would save met representatives of the Vigilant fire the \$1,000 and all the year's sickness.-Ed.

MPORTANT TESTIMONIAL.

"Gentlemen: The Pad is a marvel of success. I have given its working a personal inspection, and find that it merits my professional sanction. It acts kindly, safely and effectively, and comes the nearest to a universal panacea of anything I know in medicine, and the only wonder is that the medical profession has not before made it of practical use to suffering humanity, for the principle is as old as Hippocrates himself. I especially recomold as Hippocrates himself. I especially recom-mend the Pad in all malarial affections, and in chronic diseases of the various organs it is in-valuable." febl1.2wdcod

LIVERPOOL, Feb. 14.-The London correspondent of the Liverpool Courier says: "Assurance is given me to-day that the statement of the intention of the Baroness Burdett-Coutts to devote £500,000 to the amelioration of the distress in Ireland is true. Contradictions of this statement

have been made in most of the London daily papers, but the fact is incontrovertible. The money will not be given in alms, but will be invested in the purchase of land in the district of Connemara, county Galway, to be afterwards let to small tenants at long leases and moderate rents. Mining to be Partially Discontinued. PHILADETPHIA, Feb. 14.—No definite conclusion has yet been reached with regard to the coal trade suspension. President Gowen decided, after consultation with Mr. Parrish, of the Lehigh and Wilkesbarre company, this afternoon, to stop production on three days of each week from Monday next, until April 1. This restriction is demanded by the present condition of trade and large supply on hand. This plan, it is thought, will be submitted to individual operators and coal producing companies for their approval, but strong doubts of general action are expressed, especially by operators in the Lehigh region. The latter disclaim all interest in the matter and state their movements will be governed entirely by

the individual requirements. RAILWAY WRECK.
